

Statex Heavy

Statex Heavy 70g/M²

- 100% PES
- White Spunlace Material

Statex is a 100% Polyester Non Woven PVC wiper. Its cut edges show very limited lint on the edges and its special structure allows penetration of the PVC fluid and compound deep into the pores of the fibers.

The fact that it is a non woven made fabric makes it very competitive compared to knitted versions. Its handfeel and bulk however are satisfying the needs of the OEM industry.

Physical characteristics

Tests	Orientation	Units	Targets	Methods
Basis Weight		g/M ²	70	ISO9073-1
Thickness		mm	0.75	ISO9073-2
Tensile Strength	MD	N/5cm	285	ISO9073-3
Tensile Strength	CD	N/5cm	115	ISO9073-3
Elongation at break	MD	%	27	ISO9073-3
Elongation at break	CD	%	77	ISO9073-3
