

Vertex 3

VERTEX 3 - 50g/M²

- 50% PES / 50% Rayon
- Spunlace Soft Smooth

Vertex 3 is a smooth non woven wiper specifically suitable to delicate surface cleaning and perform a soft and fine wiping task.

It's PES/Rayon performance fibers and the cross lapper non woven fabric give it the necessary resistance end users are appreciating absorbing liquids and dirt particles into the structure.

Physical characteristics

Tests	Orientation	Units	Targets	Methods
Basis Weight		g/M ²	48 ± 10%	ERT 40.3-90
Thickness		mm	0.6	ERT 30.4-89
Tensile Strength	MD	N/5cm	70	
Tensile Strength	CD	N/5cm	17	
Elongation at break	MD	%	32	ERT 20.2-89
Elongation at break	CD	%	110	

Functions

Tests	Units	Targets	Methods
Absorption capacity	%	600	ERT 10.3-99

- Packing Units Folded 50 sheets 32x40cm/packx10/case
- Packing Units Rolls 500 perforated sheets 32x40cm/ roll
